Grave Diggers Entertainment returns for a second year of terror brought to your doorstep!

Sandusky, OH April 1, 2008 – Grave Diggers Entertainment is returning for a second season of bringing chills and terror into our customers own homes. Grave Diggers Entertainment started last year with the philosophy of “Pushing the Limits” and this year we are planning on pushing them even further! Grave Diggers offers a wide range of services including (but not limited to) haunted house design and consulting, party and dance design and consulting, and even (live) actors in full prosthetic makeup.

Grave Diggers can make your next Halloween or horror themed party the one that people will talk about for years to come. Let Grave Diggers take on the burden of the planning, set up, operation, and tear down of your party. All you have to do is show up and enjoy yourself!

Are you planning on hosting a haunted house this year? Well let Grave Diggers help make it the best around. Grave Diggers consultants have over 20 years experience designing, building, and operating immersive haunted attractions, and we can share that experience with you.

How would you like to be able to give your guests the experience of a lifetime? How about letting them interact with our professional trained haunted actors? Not only can our actors act in a haunted attraction, we also do meet and greets to promote products and businesses. Can you imagine having actors dressed up in full makeup and interacting (scaring) with your customers?

On April 1 Grave Diggers Entertainment premiered our new website, located at <http://GDEntertainment.net>, that explains what we are all about as well as offering many services for our customers and the industry. The site offers a blog, that will be updated with news about Grave Diggers as well as news stories from the Halloween and Horror industry. We also offer an actor forum that is a place for actors of all types to come and socialize, to share tips and tricks, even to share their stories of past events.

Grave Diggers is currently looking for independent actors to join us and spend their free time getting paid to scare people, what could be a better part-time job! If you are interested please check out our acting guild page located at <http://theRAGuild.com> and click on the Join The Guild tab.
